	Mobile phone no.:	
<p>As rowing is a water based sport it is essential that students are proficient swimmers and be confident in the water. Capsizing of boats can happen to rowers at all levels, but those learning the sport are more likely to go for a swim. Coaches will be in tinnies with the crews at all times to give assistance if there is a spill.</p>		
<p>I certify that _____ (Insert student's name) is a proficient swimmer and is confident in the water.</p>		
Signed (Parent / Carer)	Please print name
